1978 was a year of surprise and disappointment for the Golden Cougar football squad. The surprise came in the play of the offensive line, one of last year's strong points, but one with inexperience this year. The disappointment came in that the Cougars did not make the playoffs for the first time in three years.

Seniors, Mark Fowler, Robb Wahl and Carthel Holmes played on both defense, and the offensive line, and constantly blew open holes for senior running backs Terry Malone and Dan Samaniego to run through.

Roosevelt was Kennedy's first non-league opponent, and the Cougars thrashed the Rough Riders, 27-6, in a sparkling defensive show where the outcome was decided long before the final gun went off. Washington then invaded Kennedy's home territory and surprised the Cougars, winning 37-27, in a game where the Cougars were down near the line with just seconds left before a Ramsey pass was picked off and for a Generals touchdown.

Locke was the opponent, and the Saints wished they hadn't shown up as the Cougars avenged the Washington defeat by routing the Saints, 62-14.

Venice was the last pre-season contest, and the Cougars, without Tom Ramsey, defeated the Gondoliers, 13-3 on the strength of two field goals kicked by senior Scott Shelton.

The league opener was a disaster for Kennedy. Playing again without Ramsey and Malone, the Cougars were soundly thrashed by San Fernando, 48-0.

Defense proved the name of the game in the next two contests as Kennedy blanked Monroe, 34-0, and, 67-0, Van Nuys. Ramsey passed for 205 yards against the Vikings and the Cougars amassed 459 yards in the route of the Wolves.

Birmingham proved to be a tougher match for the Cougars, but Kennedy still ended up on the winning side, 8-7, in a sluggish game dominated by defense.

This set the stage for the final match against arch rival Granada Hills. If the Cougars won, they would take second in the Mid-Valley league and go on to the Playoffs. But even without All-American quarterback, John Elway, the Highlanders still prevailed, 21-14, ending a fine football season in disappointment for the Cougars.

Awards were numerous for the Cougars during 1978. Senior quarterback Tom Ramsey was named to the second team all-city, the first team All-Valley and the first team All Mid-Valley.

Other Cougars on the All Valley selections were linebacker Mark Fowler, on the first team. Seniors Nigel Gibbs (end), Mike Chieffo (defensive line), and Dan Samaniego (linebacker) all were elected to the second team.

Gibbs, Chieffo and Samaniego also were elected to the first team All Mid-Valley, as were Harold Hall, (end), Robb Wahl (offensive line), Carthel Holmes (offensive line) and junior, Neil Smith (defensive back) all were elected to the second team.

Despite ending the season on a very frustrating note, 1978-79 was a successful campaign for the varsity basketball team as they went undefeated in the Mid-Valley League for the second straight season.

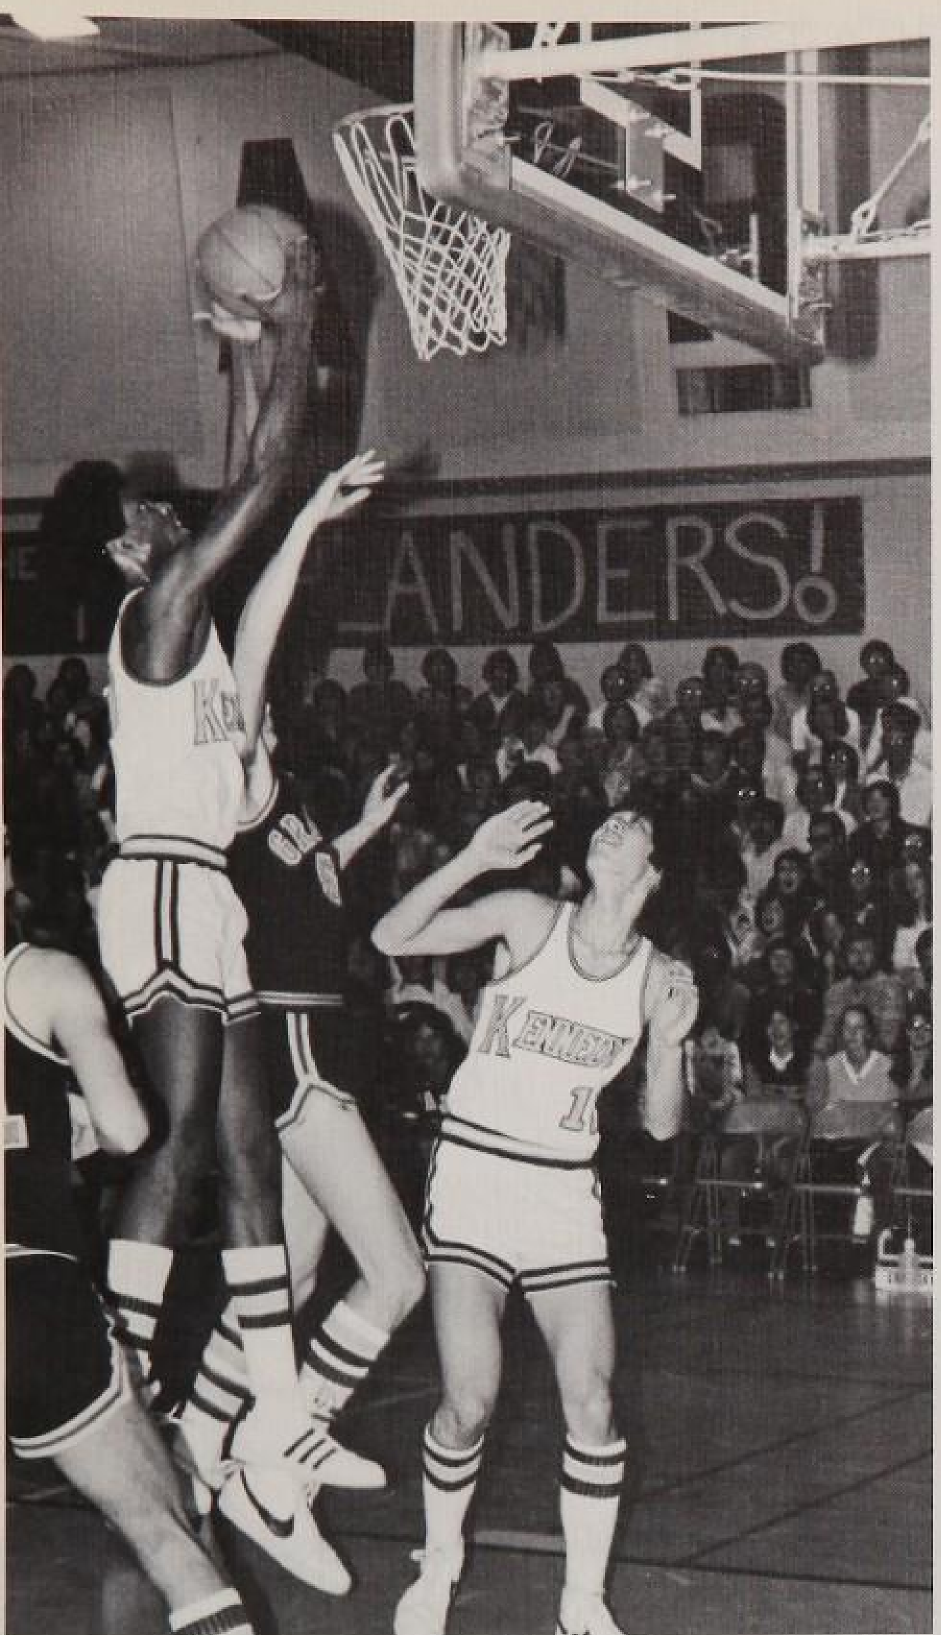

After opening the season with an easy win over Jefferson, the Cagers were routed by Dorsey and then lost in the semifinals of both the Hert and Taft Christmas tournaments.

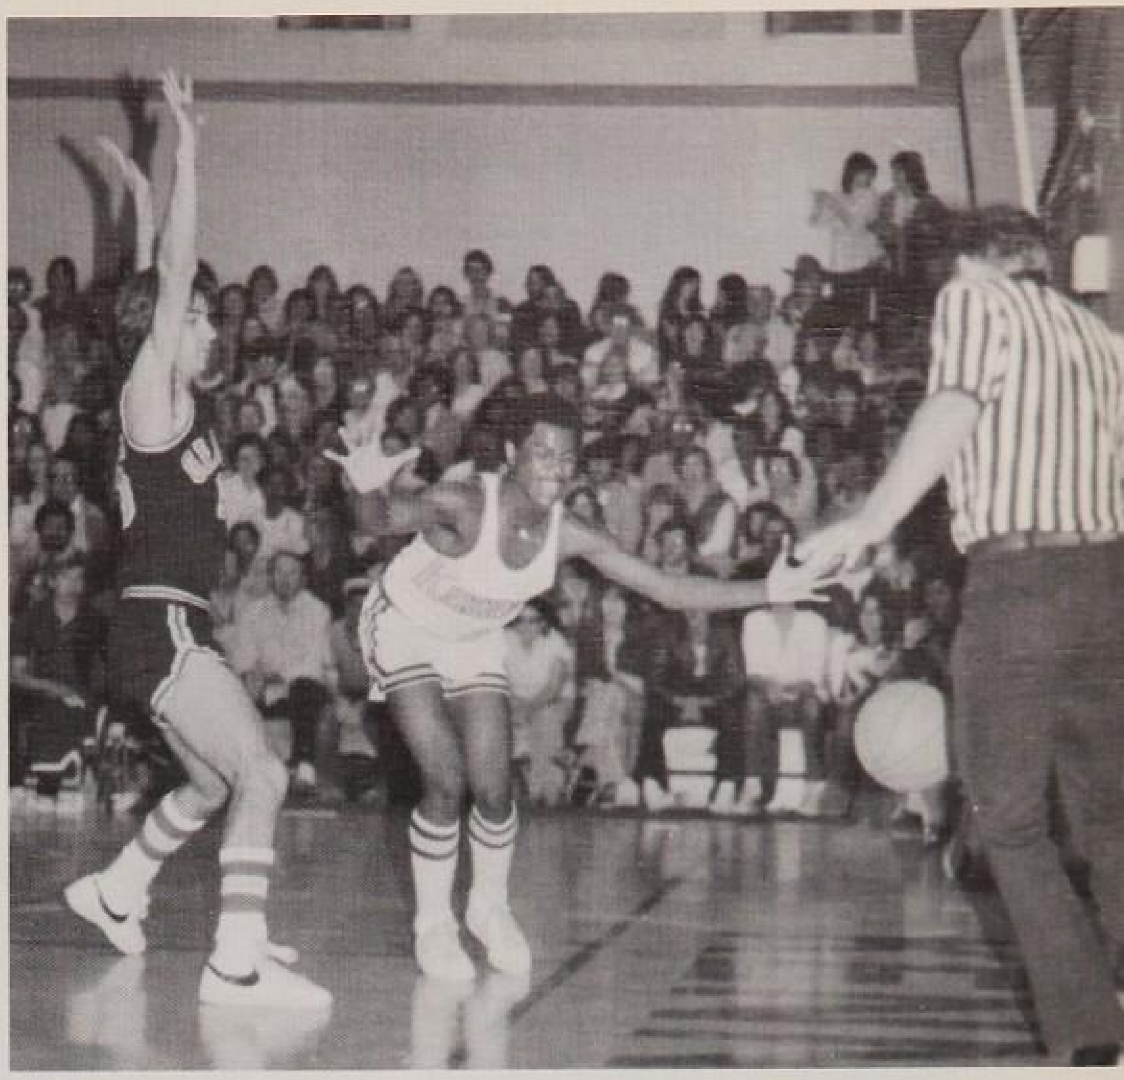

The Cougars then won 13 straight games, beginning with non-league wins over Cleveland and El Camino Real. They breezed through the league schedule, winning every game by at least 22 points until Granada used stall tactics in the last league game of the season to hold the Cougars down to 35-26 score.

The Cougars, first opponents in the playoffs were the Washington Generals, who were very stubborn for three quarters before the Courgars put them away with a spurt in the fourth quarter. However, their second round opponents, the Gardena Mohicans proved to be too tough for the Cougars as they used a late fourth quarter rally to upset Kennedy, 77-74.

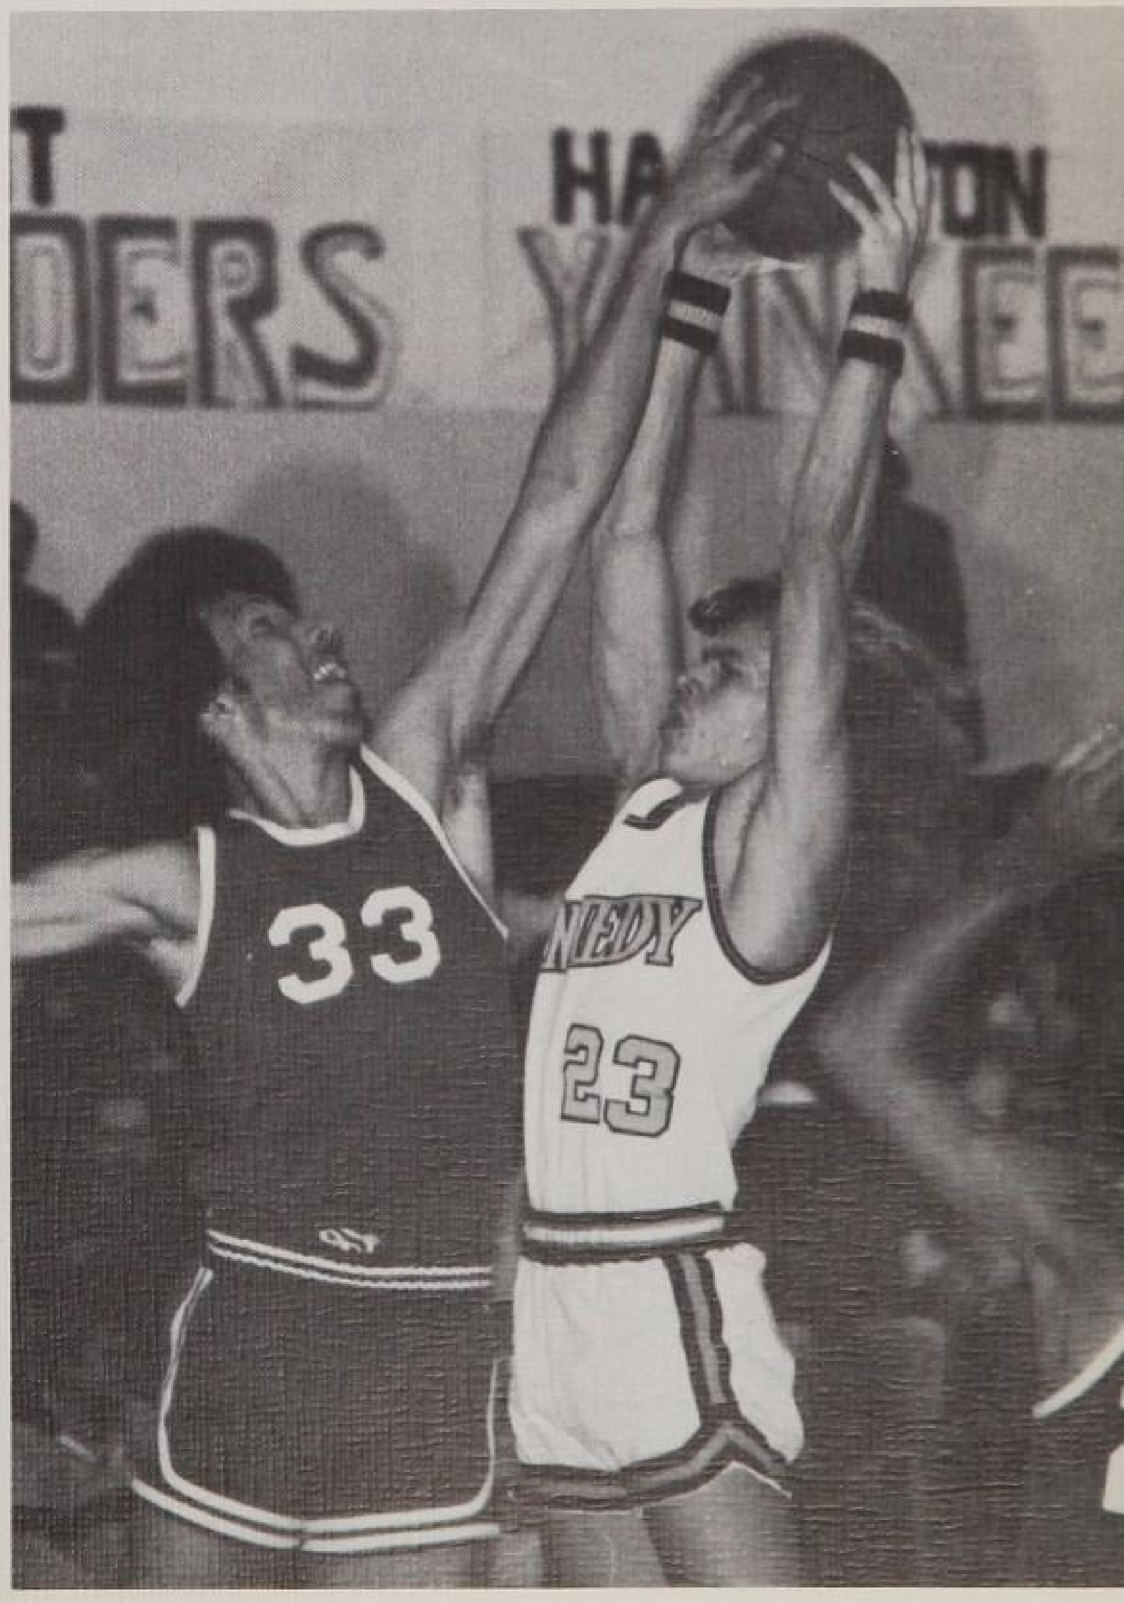

Senior forward Darren Daye, who is Kennedy's all-time leading scorer with 1,837 points in his brilliant career, was named the Mid-Valley Leagues most valuable player and was also named to the first team all-league along with senior guard Pete Sullivan. Juniors Mark Nuby and Henry Conley were named to the second team, and senior Alan Kosaka earned honorable mention.

While Tom Ramsey, Darren Daye and their cohorts stole the spotlight this fall, the Golden Cougar varsity soccer team unobtrusively made its way into the city playoffs for the fifth consecutive year and had its most successful season ever.

Finishing first in the Mid-Valley league with a 8-1-1 record, the Cougars were ranked sixth in the city going into post-season play and they advanced all the way to the semi-finals before losing.

The '78-'79 campaign was supposed to be a rebuilding period for Kennedy. Nine starting seniors, including eight all-league selections, had graduated from the '77-'78 team that had gone undefeated in league play and had been rated number one in the city before losing to the eventual champions in the playoffs.

With only a handfull of seniors returning from last year's squad, Coach Len Kovach down-played his team's chances and even went as far as to say that, "We are really going to have to scratch and claw for our goals this year."

In four preseason games, the inexperience and the outstanding potential of the squad was amply demonstrated. The team had a difficult time beating Chatsworth and Grant, and it even lost to a mediocre El Camino squad. However, Kennedy's true colors showed in a 5-2 white-washing of Fairfax, the defending city champions and a team that was supposed to be vastly improved.

From there, the Golden Cougars entered the ten game battle for the Mid-Valley league title. San Fernando and Van Nuys provided tough competition for the feetmen, and the deadlock for first place was not broken until the second to last game of the season.

While the contests with San Fernando and Van Nuys usually were do-ordie affairs, the remainder of the league was no challenge for the Cougars. The squad rolled over Birmingham and Granada Hills and it completely destroyed Sylmar, beating the Spartans by scores of 11-1 and 13-0.

Due to rain and poor scheduling, the city playoffs didn't take place until late January and early February. The long lay-off did not seem to bother Kennedy, though, as two tough opponents, Canoga Park and Huntington Park, fell by scores of 3-1 and 1-0.

That pitted the feetman against a less difficult opponent in the semi-finals, the Garfield Bulldogs. Unfortunately, the 'Blue Machine', as the team was nick-named, was riding the crest of a twenty game winning streak and they handed the Golden Cougars a hard-fought 1-0 defeat.

Six Kennedy players received post-season all-league honors. They were seniors Jorge Gutierrez, Ember Martin, Brian Meikle, and Bill Stoehr; and juniors Steve Kerylow and Jay Plyler.

SWAS

Kennedy High S.W.A.S. Offers You An Alternative!

With dozens of courses from which to choose each year, students are carefully counseled to make choices that are both interesting to them and important to their overall school experience. Some good examples are names like "Loving Relationships," "Global Perspectives" and "Living and Dying"; or credit can be acquired by such projects as volunteer work in the Veteran's Hospital program. Requirements for graduation are the same for S.W.A.S. as for Kennedy High School; therefore certain basic requirements must be met. However, those basics can be made more interesting with the element of personal choice involved.

Well Cindy, that time is finally here for you... You are now freed of responding to bells every hour to control your life. Now the control is up to you. I'm counting on you to do a good job of that. I want you to be the beautiful, happy women I have seen you have the potential to be. Look & SEE before you leap. Avoid the repeat SEE road trip! Perhaps we shall meet again in the future. If so, please rush up to me + tell me all about the unfolding of your life. Thanks for being both a good student in Biology + a good T.A.

Sincerely
Julian Nelson (Bio Tchr)

The Pieces

At first the puzzles broken
and scattered on the floor
There is no hint to the shape,
not what it holds in store

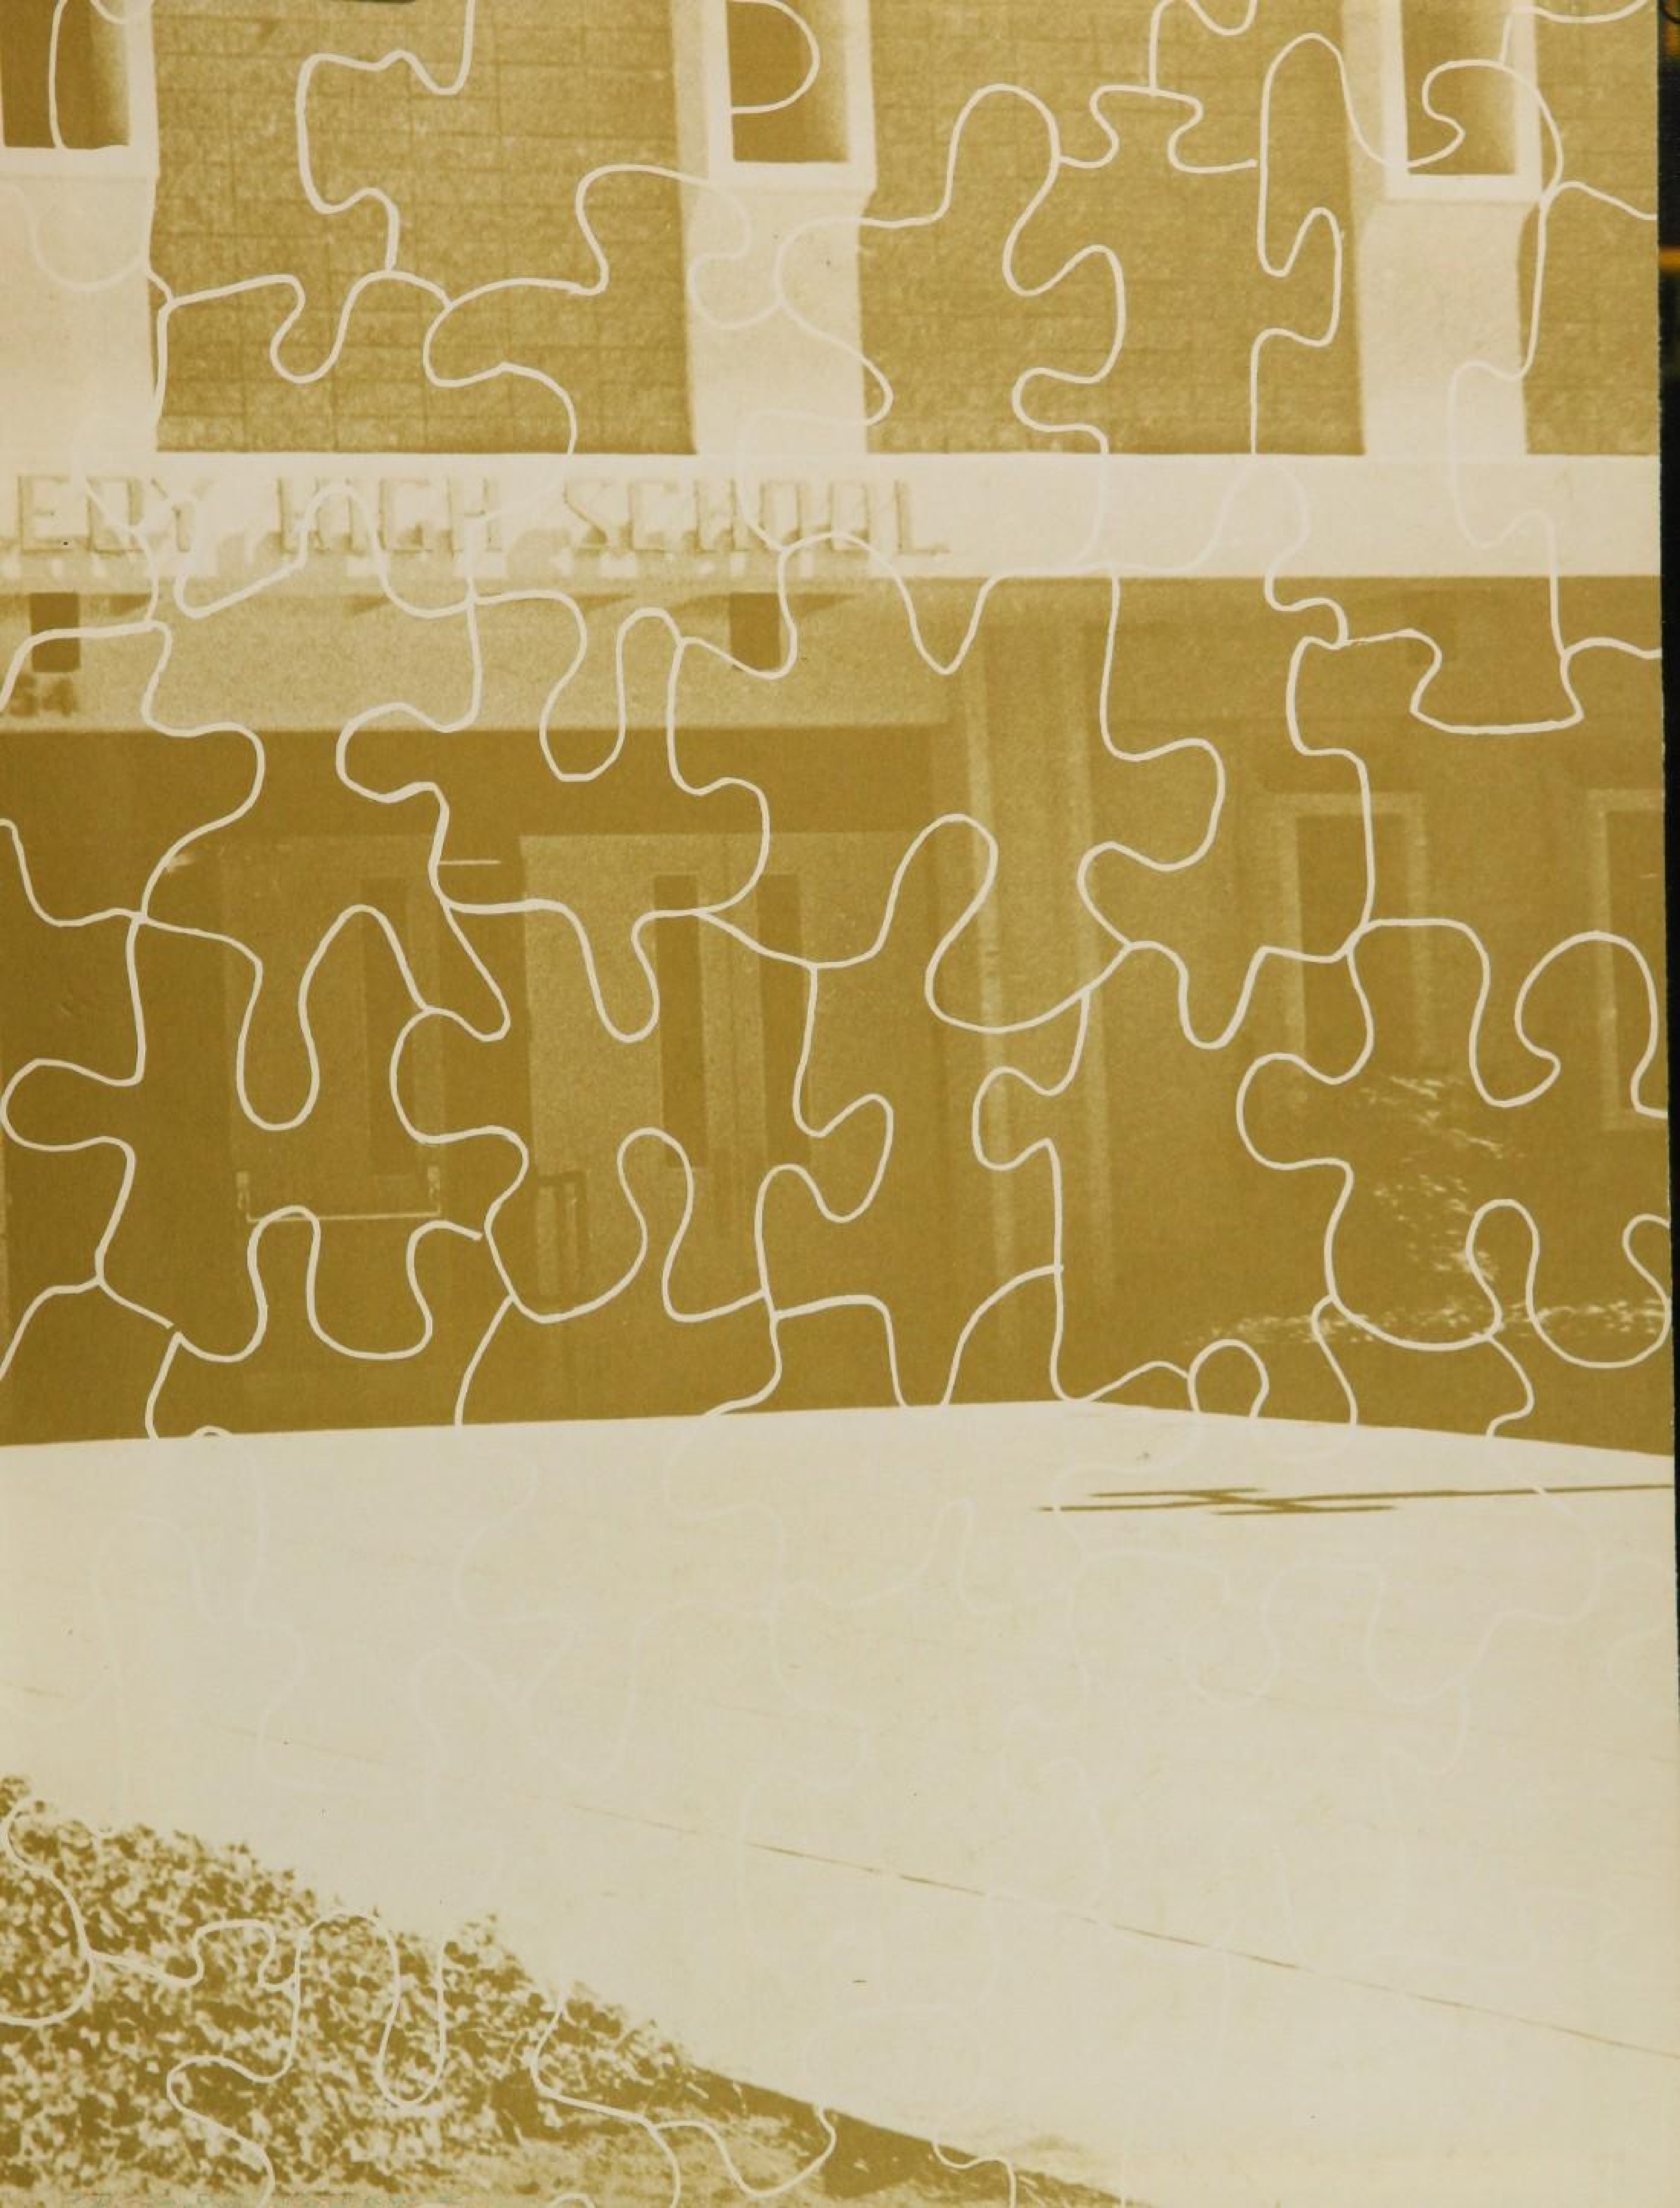

But gradually, piece by piece
the puzzle takes its form
They snap and join together
and pressures that they're
borne

And though, at first the picture
we may not always see,
It's up to us to make it,
what it was meant to be

For you cannot take two pieces
and force them into one
If the pieces just don't fit
then the joining just won't come

If we will be patient
the meaning will draw near
and all the little pieces
form a picture that is dear.
